Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted applicant to inform him that the after final amendment filed 3/21/07 was considered sufficient to place the case in condition for allowance except that a complete listing of the claims had not been filed. In order to advance the prosecution of the application the examiner suggested that she make all of the necessary changes in an examiner's amendment and not entering the amendment. Applicant was agreeable to this solution. Examiner's Amendment and Notice of Allowance to follow..
